

# HERE'S A GREAT OPPORTUNITY TO TOOT YOUR OWN HORN!

*You are invited to be part of a truly unique sonic event in Sturgeon Bay!*

Steel Bridge Songfest in concert with Door County Maritime Museum is orchestrating a sonic event that is bound to become a media sensation: *The Great Sturgeon Bay Ship Horn Sound Off*.

Join the Wisconsin DOT bridge horns, the tug fleet, the Maritime Museum's John Purves tug, the Coast Guard, and any ships in port by sounding your horn exactly at 12 noon, Saturday, June 12th.

Suggested is the "Great Lakes Salute" (three longs, two shorts) at 12 noon, followed by a two-minute jam session (use your imagination – be creative). Please end at 12:03 p.m. (the local dog population will appreciate it). If everyone uses cell phone clocks, we should be able to coordinate the sounds fairly closely.

Media is being contacted. We hope to get national coverage of the event. Recordings will be made of the horns and available online for ongoing promotion of the event.

To confirm your participation, or if you have questions about the event, please contact the Steel Bridge Songfest office at 920-743-5605 or email [SteelBridgeSongfest@gmail.com](mailto:SteelBridgeSongfest@gmail.com).

Thank you for your participation!
